

Problem: You suspect your daughter is using drugs.

- ✓ Be prepared for open & honest discussion
- ✓ Show love in spite of the problem
- ✓ Give acceptance, gain a great relationship

Testimonials

Judy M. from Kansas City – Thank you for your commitment. I agree with you, don't take anything the child does personally; every moment is a learning moment without Accusing or belittling.

Deb T. from Chicago – Thank you for your wise words in Trying to Stay Sane While Raising Your Teen. It helped me in dealing with setting boundaries for my children.

Wanda C. from Aurora – There were so many ideas and thoughts that I received from your book that will help me with my teens.
